### 4. QUALIFYING CATEGORY \*\*

In order to be eligible for NABCEP certification, you must qualify through one of the categories below. Please read **ALL** categories carefully first. Note: Choose the category which is appropriate for you. (It may reduce your paperwork.)

- 1  **1-a)** Four (4) years of experience installing Solar Hot Water Systems (document 8 installs); **OR**  
**1-b)** Two (2) years of experience installing Solar Pool Heating Systems in addition to completion of a Board-recognized training program (document 4 installs + include certificates or info for 40 hours of Board-recognized training. For definition of Board-recognized training see sections 3.2.3 through 3.2.5 of the Candidate Handbook)); **OR**
- 2  Two (2) years of experience installing Solar Thermal Systems in addition to completion of a Board-recognized training program (document 4 installs + include certificates or info for 40 hours of Board-recognized training. For definition of Board-recognized training see sections 3.2.3 through 3.2.5 of the Candidate Handbook)); **OR**
- 3  Be an existing licensed contractor in good standing in solar or construction-related areas with one (1) year of experience installing Solar Thermal Systems, (document 2 installs and include information for active contractor' license: photocopy, license number, etc.) **OR**
- 4  Four (4) years of HVAC, mechanical, pipe-fitting or plumbing-related experience working for a licensed contractor, including one (1) year of experience installing Solar Thermal systems (document 2 installs and include or have sent an employer reference for 4 years experience); **OR**
- 5  Three (3) years experience in a government/trade union-approved construction trade apprentice program, including one (1) year of experience installing Solar Thermal Systems (document 2 installs and include proof of diploma), **OR**
- 6  Two (2) year construction-related, or engineering technology, or renewable energy technology /technician degree from an accredited educational institution plus one (1) year of experience installing Solar Thermal Systems (document 2 installs and include copy of diploma or transcript); **OR**
- 7  Four (4)-year engineering degree from an accredited educational institution, including (1) year experience installing Solar Thermal Systems (document 2 installs and include copy of diploma transcript), **OR**

8

NABCEP® Solar PV Installer Certification AND 16 hours of Board-recognized AND include installation of at least two solar hot water systems. These two systems require permitting and inspection process by a permitting authority – OR – in the absence of such, an appropriate underwriter authorized to provide an inspection certificate. In regions where neither of these inspection options exist, the Application Review Committee will judge experience based on supplied documentation.

**\*\*Note:** For these purposes, experience installing Solar Thermal Systems requires one year in a responsible role on the job installing Solar Thermal Systems, in the role of foreman, supervisor, site manager, or experienced worker performing Solar Thermal installation work without direct supervision. **Each year of experience requires an average of 2 installations.** For example, if you are applying under category “1-a”, you must list 8 installations.

## 5. VERIFICATION OF EMPLOYMENT AND EXPERIENCE

Hands-on experience is required for certification. Please document employment in a manner to demonstrate sufficient experience for the qualifying category (Section 4 of this Application) you have selected. For the purposes of certification, one (1) year of experience = one year in a responsible role on the job installing Solar Thermal systems, in the role of foreman, supervisor, site manager, or experienced worker performing Solar Thermal installation work without direct supervision. Each year of work in the Solar Thermal field must include the installation of at least two solar hot water or pool heating systems, depending on your category. See Section 6 of this application to document compliance with this requirement.

List employment in chronological order, starting with most current employment and include a job description summarizing responsibilities and # of/type of systems installed. In addition, a supervisor will need to sign off on your current employment in an attached letter. *If you are or were self-employed, provide a detailed description of your work and sign off on it.*

The **Candidate Information Handbook** Section 3.3 contains additional information on filling out this employment history.

## 8. SPECIAL ACCOMMODATIONS REQUESTS

Are you requesting special testing accommodations for a disability or religious observance? Yes  No

If you answered yes, please complete the Request for Special Exam Accommodations Form (in the **Candidate Information Handbook**) and attach it to your application. Please refer to Section 5.3 of the **Candidate Information Handbook** for details.

## 9. CODE OF ETHICS

The Code of Ethics of the Solar Thermal Practitioner requires certificants to uphold professional standards that allow for the proper and ethical discharge of their responsibilities and maintain the integrity of the credential. Through the establishment of the Code of Ethics, the NABCEP Board of Directors seeks to assure the highest standards of behavior and principles in the renewable energy and energy efficiency industries. For a copy of the complete Code of Ethics, See Appendix II of the **Candidate Information Handbook**. As a certificant, I agree to uphold and abide by the NABCEP Code of Ethics. I will:

- deal with all clients, consumers, and other professionals and professional organizations fairly and in a timely manner;
- provide safe and quality services to clients and consumers;
- respect and promote the rights of clients and consumers by offering only professional services that I am qualified to perform, and by adequately informing clients and consumers about nature of proposed services, including any relevant concerns or risks;
- maintain the confidentiality and privacy of all client and consumer information;
- avoid conduct which may cause a conflict with client or others;
- engage in moral and ethical business practices, including accurate and truthful representations concerning professional information and system performance expectations;
- be truthful with regard to research sources, findings, and related professional activities;
- maintain accurate and complete business and professional records;
- respect the intellectual property and contributions of others;
- further the professionalism of renewable energy industry services; and,
- behave in a courteous and professional manner when communicating with NABCEP representatives.

## 10. AGREEMENT, ATTESTATION OF ACCURACY, AND RELEASE

**By signing this agreement below, I represent and agree to the following terms, conditions, and releases related to the North American Board of Certified Energy Practitioners, Inc., (NABCEP) and the Solar Thermal Installer Certification:**

1. I understand and accept all NABCEP certification policies, procedures, and requirements. I agree to satisfy, and conduct myself in accordance with, all NABCEP policies and procedures, and any decisions or policies issued by the NABCEP Board of Directors or its authorized representatives, as currently constituted and as amended. I agree that if NABCEP determines that my compliance with a NABCEP policy, procedure, other requirement, or any of the terms of this agreement requires or includes an explanation, additional information, and/or supporting documents, I will provide a complete and accurate response and true copies of the materials to NABCEP in a timely manner. I agree that any refusal or failure to provide true, timely, and complete responses to questions in this application, renewal forms, or to other NABCEP requests for information may lead to further investigation, and/or sanctions by NABCEP Board of Directors, including the denial or revocation of a certification. I agree that the NABCEP has the right to communicate with any person, government agency, or organization to review or confirm the information in this certification application or any other information related to my application or Solar Thermal Installer Certification. I agree that NABCEP may investigate my professional standing. Further, I agree to, and authorize the release of, any information requested by NABCEP for such review and confirmation. I agree that all materials that I submit to NABCEP will become the property of NABCEP, and that NABCEP is not required to return any of these materials to me. I agree to notify NABCEP in a timely manner, of any changes concerning the information I have provided, including address and telephone number information. I agree that information related to my participation in the NABCEP certification process may be used in an anonymous manner for research purposes, and for other lawful purposes authorized by the Board of Directors. I agree that upon designation as a Certified Solar Thermal Installer by NABCEP, my professional contact information will be considered public information and may be made available to the public upon request. I agree that my Solar Thermal Installer Certification does not imply licensure or registration. I agree and accept that I shall not engage in any form of dishonest behavior with regard to the Solar Thermal Installer Certification examination. I understand that such dishonesty includes, but is not limited to, the following: using unauthorized materials to complete my Solar Thermal Installer examination; copying the work of another candidate or other individual, or representing another candidate's or other individual's work as my own work; having another individual take or otherwise assist me in completing the examination; providing unauthorized materials or information to others during the examination; and any other activity which may provide me or another candidate with an unfair advantage. I agree and accept that all communications, written, oral or otherwise, during the Solar Thermal Installer examination are forbidden, as is the use of any outside notes, books, calculators or other material in any form other than those provided by NABCEP for use during the examination itself.

I understand and accept that the contents of all NABCEP test and examination related information and materials shall be held strictly confidential, and that the entire ownership interest in this information and materials is held by NABCEP and controlled by the NABCEP Board of Directors. I understand and accept that my possession of any test and examination related information is for the sole purpose of taking the Solar Thermal Installer Certification examination, and that no other person, group of individuals, corporation, or other entity shall have any license or permission to use any test and examination related information. I agree not to discuss, share, distribute, reproduce in any manner, or otherwise disclose the specific content of the Solar Thermal Installer test questions, answers, and examination related information and materials to any individual or organization.

2. I understand and accept that, in appropriate circumstances as determined by the NABCEP Board and its representatives, NABCEP reserves the sole and exclusive rights to: suspend, cancel, revoke, or otherwise terminate any eligibility, certification decisions, and any rights or privileges related to the Solar Thermal Installer Certification process; and, suspend or terminate candidate examination privileges, exam scoring, or other test evaluation activities. Among other circumstances, the suspension or termination of examination or other privileges, and the issuance of remedial and/or disciplinary actions, will be authorized, where: a specialty certification application or testing irregularity or impropriety occurs; a candidate or Certified Solar Thermal Installer engages in misconduct or other conduct contrary to NABCEP policies and requirements; or, certification eligibility information or testing scoring or evaluation results are determined to be invalid for any other reason.
3. I agree that all disputes relating in any way to my Solar Thermal Installer application and examination will be resolved solely and exclusively by means of NABCEP policies, procedures, and rules, including the NABCEP Certification Appeals Procedures.
4. I certify that the information I have provided with respect to this application is accurate and complete. I understand that any misrepresentations or incorrect information provided to NABCEP can result in discipline or sanctions, including certification ineligibility, suspension, or revocation.
5. I release, discharge, and indemnify NABCEP, its directors, officers, examiners, employees, attorneys, representatives, and agents from all liability and claims that may arise out of, or be related to, my professional practice and related activities.
6. I release, discharge, and indemnify NABCEP, its directors, officers, examiners, employees, attorneys, representatives, and agents from any actions, suits, obligations, damages, claims, or demands arising out of, or in connection with, this application, NABCEP examination activities, or any other action taken by the NABCEP Board of Directors and NABCEP with regard to its certification activities, including, but not limited to, all actions related to ethics policies and matters. I understand and agree that any decision concerning my qualifications and eligibility for any specialty certification, and my continuing qualification for any specialty certification, rests within the sole and exclusive discretion of the NABCEP Board of Directors and that these decisions are final.

**I fully understand and agree to each and all of the terms set forth above.**
