Corporate Fundraising Program

NABCEP seeks your support to help us achieve our mission to improve the quality of renewable energy installations.

NABCEP has a tiered fundraising approach to accept donations from supporting organizations and individuals, with “Platinum”, “Gold”, “Silver”, “Bronze” and “Green” sponsor levels (“Platinum” being the highest). The “Supporter” level is aimed at individuals who would like to make a contribution to NABCEP. Each sponsor level includes unique benefits that are available to donors for a period of one year after the donation has taken place. Donor rankings are explained in the table below.

Sponsorship program

Annual Donation Donor Designation
