NABCEP

Continuing Education CONFERENCE

March 15-18, 2027 / Mobile, AL

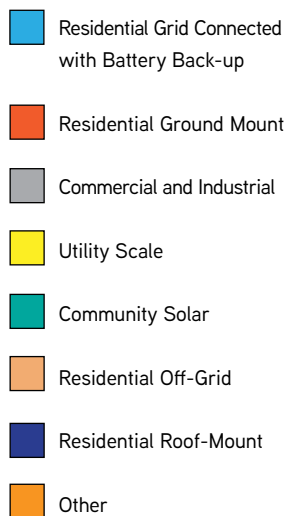

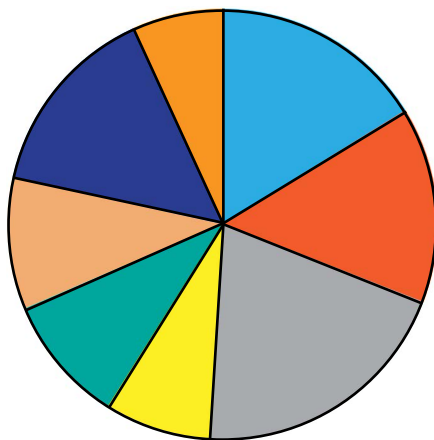

The People You Want To Be In Front Of

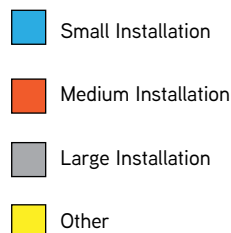

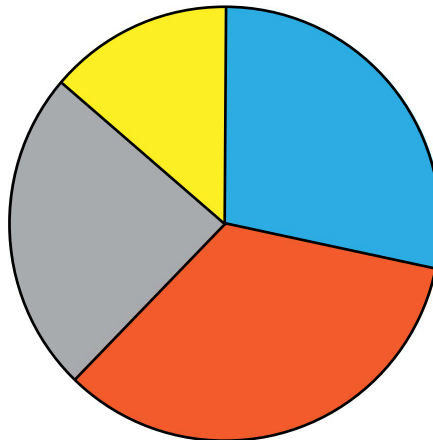

The NABCEP CE Conference delivers the greatest concentration of highly skilled, talented, and knowledgeable solar professionals. They are eager to learn about the latest products, tools, and techniques and share information about your products and services with peers. This conference is all about improving the business of selling, installing, and maintaining PV systems for the most committed and knowledgeable folks in the industry. Participants in the four day conference can earn up to 24 of the 30 hours of NABCEP Continuing Education Units (CEUs) needed for their Board Certified Professional Certification renewal. You will have quality face time with hundreds of the most competent sales and installation professionals from across the country, without having to deal with everyone else who shows up at the large trade shows – at a fraction of the cost and hassle.

Job Title

The Most Anticipated Event for Solar Installation Professionals

This conference is about quality connections, and SPACE IS LIMITED.

Exclusive Sponsorship Opportunities Are Available for companies who understand the importance of enhanced visibility at an event that attracts some of the most competent, experienced, and influential installation professionals from across North America. Each sponsorship option includes a range of benefits and recognition throughout the show. Special recognition is provided to the sponsors in the conference program, signage, remarks, website, and event promotion. Conference sponsors not only help ensure a successful education event for the industry – they help to support NABCEP in its mission to raise standards and promote quality. Each sponsor is recognized on NABCEP's website for a full year and provided a custom sponsor logo for use in marketing activities.

WHAT OUR EXHIBITORS ARE SAYING:

For those wanting to connect with engaged and qualified installers, NABCEP is the place to be. The training sessions are engaging and informative, while the “tradeshow” is a great way to connect with solar manufacturers.

- Discover Battery

NABCEP's annual conference brings together solar professionals of all different backgrounds and skill sets from around the world. There is no better place to interact with the industry and hear about the latest technologies.

- Scanify

We love exhibiting and training at the NABCEP CE conference since it is filled with knowledgeable installers and designers who are eager to learn about our products. We are able to answer questions from existing customers while creating new relationships with future ones.

The NABCEP CE conference is the “Do Not Miss Technical Event” in the solar industry!

Location, Location, Location!

Mobile, Alabama

In 2027, NABCEP looks forward to bringing our annual CE Conference to the Gulf Coast! Next year, we'll be hosting the conference in Mobile, AL. Commonly referred to as the "Port City" and the birthplace of Mardi Gras, it is the perfect place to wind down after a hard day of Solar/PV education and training! Mobile has a charming downtown, as well as many great local cuisine choices and historic landmarks. You won't want to miss NABCEP's first conference experience in the great state of Alabama!

Exhibitor Rules & Regulations

Assignment of Booth at NABCEP CE Conference 2027

1. Exhibit booths are assigned on a first come, first served basis.
2. NABCEP maintains full discretion for layout of booth assignments.
3. Exhibit booths will not be assigned without a signed Commitment Form and full payment. Commitment forms received by December 15, 2026 will be billed net 30 days.
4. All booths are linear 10' x 10' or 10' x 20' configurations.

Cancellation Policy – Cancellations received in writing, on or before December 1, 2026 will be subject to a 30% administrative fee. Cancellations received in writing, after December 1, 2026 will forfeit the entire fee. Exhibitor is responsible for any balance due on booth space canceled after December 1, 2026. Invoices after January 15, 2027 will be “due upon receipt”.

Booth Requirements – All exhibits must be confined to the NABCEP CE Conference 2027 limits of their respective booth(s) as indicated on the floor plan. All equipment, products, or materials to be displayed or demonstrated must be placed within the exhibit booth space. All exposed parts of displays must be finished to present an attractive appearance when viewed from the aisles or from adjoining exhibits.

Exhibitor Setup – Setup begins at 12:00PM on Monday, March 15, 2027. All exhibit booths must be setup by 6:00PM on Monday, March 15, 2027 unless another time has been arranged with NABCEP. No exhibitor shall setup their booths on Tuesday, March 16, 2027. If the exhibitor is not setup in the allotted time frame they will forfeit their space.

Exhibitor Teardown – Exhibitors may begin removing their exhibits after 1:00PM on Thursday, March 18, 2027. No exhibitor shall start dismantling his or her display before 1:00PM. All exhibitors must be removed from the pavilion by 6:00PM on Thursday, March 18, 2027. If an exhibitor dismantles prior to 1:00PM they could jeopardize their participation of exhibiting in future events. Any materials left behind will be shipped back to the exhibitor at the exhibitor's expense.

Booth Design – The back wall of the standard booth is 8' high. The side partitions are 4' high. Exhibits will be arranged so as not to obstruct the view of other exhibitors. The sidewalls of any booth, exceeding 4' in height to a maximum of 8' height, may not extend more than 5' from the back wall. Sidewalls 4' or less in height are limited to 7' in length from the back wall. No built-up exhibit or other construction will exceed 8' in overall height. Overhead canopies or simulated ceilings cannot extend out more than two-thirds of the depth of the booth space measured from the back wall. The height of display materials in the remaining one-third of the booth space depth is limited to a maximum height of 4'. Exhibitors desiring to use other than standard booth equipment, any sign or materials conflicting in any way with the above regulations should submit a detailed sketch of the proposed layout at least 60 days before the meeting or before construction is ordered and receive written approval from NABCEP.

Smoking – Please see designated areas in facility.

Exhibitor Rules & Regulations

Weapons – Possession of any weapon or ammunition is prohibited. This includes but is not limited to guns, swords and knives. Possession of facsimile weapons is also prohibited. This includes but is not limited to pellet guns, air soft pistols and B.B. guns.

Food & Beverage – Distribution of food and beverages shall be conducted as permitted by The Arthur R. Outlaw Mobile Convention Center, Mobile, AL. All arrangements for food and beverage must be pre-approved by NABCEP and the The Arthur R. Outlaw Mobile Convention Center, Mobile, AL.

Exhibitor Service Center – A service center located in the hall and staffed by representatives of all official contractors will be open throughout the duration of the show.

Official Exhibitor Appointed Contractor – The official exhibitor appointed contractor and those represented in the forthcoming exhibitor service kit will have been selected as the official exhibitor appointed contractors for NABCEP CE Conference 2027. All official contractors act in their own behalf in all arrangements with exhibitors and are not agents, employees or representatives of NABCEP CE Conference 2027 or NABCEP. All services or materials supplied by such contractors on order of the exhibitor will be billed directly by the contractor to the exhibitor. Therefore, NABCEP CE Conference 2027 does not assume any liability or responsibility for any act performed or omitted by such official contractors, and exhibitor agrees to look only to such official contractors in such event. General questions regarding any services ordered through official contractors should be directed to the contractor's customer service department at the number provided in forthcoming Exhibitor Service Kit.

Exhibitor Service Kit – The Exhibitor Service Kit will contain all of the forms and information necessary for ordering of labor and services at NABCEP CE Conference 2027. The kit will contain order forms for services such as rental furnishings, booth carpet, labor, signage, floral, audiovisual, telephone, photography, electrical services, rental displays and cleaning and will be available online to Exhibitors no less than 60 days prior to show opening.

Independent Contractors – Exhibitors wishing to utilize an independent service contractor must submit written notification to NABCEP no later than December 1, 2026 with the name of the contractor, address and supervisor in attendance. Independent contractors must submit a certificate of insurance to NABCEP prior to January 4, 2027. Neglecting to do so will result in the contractor being denied access to the exhibit hall. Independent contractors providing services at the NABCEP CE Conference 2027 are subject to any rules imposed by The Arthur R. Outlaw Mobile Convention Center, Mobile, AL. and NABCEP. In order to protect the security of the exhibit hall, independent cleaning contractors will not be allowed in the exhibit hall.

Subletting of Exhibit Space – The sharing or subleasing of booth space is not permitted unless approved through NABCEP. There may only be one approved exhibiting company represented in an assigned exhibit space. All signs, advertisements, publications, materials, products, and representatives' badges must reflect the name of the contracted exhibiting company. Any violation of these regulations, without prior written consent of the organizers, may result in an immediate shutdown and removal of the exhibit materials.

Indemnification – Exhibitor shall assume responsibility for any claims arising out of the use of the exhibition premises. In this regard, the Exhibitor agrees to indemnify and defend the event organizers, the venue and its Owners, agents and employees against any claims or expenses arising out of the use of the exhibition premises.

Registration/Badging – All individuals representing an exhibiting company must register as an exhibitor and wear the appropriate badge. This policy applies to personnel staffing a particular booth for the duration of the exhibition, as well as those who will be visiting for a short period of time. It is against NABCEP CE Conference 2027 policy for exhibitors to lend their badges to anyone. In addition, it is against NABCEP CE Conference 2027 policy for an exhibitor to assist an ineligible individual in obtaining a badge or gaining access to the exhibit hall. Anyone who violates this policy may be barred from further participation in this and future conferences.

Exhibitor Rules & Regulations

Temporary Personnel – If it is necessary for your company to employ temporary personnel, be sure to provide them with the exhibiting company's name, booth number, the name of the contact at the booth and when to go to pick up their badge.

After Hours Admission to Exhibit Hall – Exhibitors wearing badges may enter the exhibit hall one hour before the opening and may remain in the hall one hour after the close of the exhibition each day. Exhibitors needing access to the exhibit hall at times not stated above must get approval from NABCEP and provide ID to security upon entering the hall. Only exhibitors with badges will be permitted to enter the exhibit hall.

Selling – To help companies maximize their exhibiting opportunity, exhibitors are permitted to sell their products/services in the exhibit hall. The exchange of checks and credit cards for a product or service is allowed. Every transaction must be accompanied by a receipt for the purchaser. For security reasons, cash transactions are discouraged. It is the exhibitor's responsibility to acquire any necessary licenses, permits, and/or identification numbers required by the local government to sell their products/services.

Music, Videos, Posters/Pictures – At no time should music or videos be played at a level that interferes with a neighboring booth's exhibiting activities. Music, videos or posters/pictures containing explicit or vulgar language or acts are strictly prohibited.

Hospitality Suites – Exhibitors that would like to request hospitality suites may do so by contacting Jada Alcindor, Conference & Meeting Coordinator: jalcindor@nabcep.org (518-901-5012). Hospitality suites are reserved only for those organizations that are participating in the exhibition and assignment of space is at NABCEP's discretion. No functions will be scheduled during exhibit hours or during official NABCEP CE Conference 2027 programming.

Non-Exhibitor Selling In Aisles – Show Management makes every effort to protect against unauthorized selling or company promotion within the show exhibit area by non-exhibitors. NABCEP CE Conference 2027 management requests any individual attempting to sell or market in the aisles or other areas of the Conference Center be reported. Any non-exhibitor that is observed to be soliciting business in the aisles or other public spaces, in another company's booth, or in any violation of any portion of the Exhibitor Rules & Regulations will be escorted out of the exhibit area.

Responsibility – Exhibitor assumes responsibility and agrees to indemnify and defend the event organizer and the venue and their respective owners, managers, subsidiaries, affiliates, employees arising out of the use of the exhibition premises.

Interpretation and Application of Rules and Regulations – All matters and questions not specifically covered by these Rules and Regulations are subject to the decision by NABCEP. Exhibitors agree to comply with all subsequent reasonable rules. NABCEP may grant permission to exhibit subject to such special conditions of limitation, as it deems necessary to assure that an exhibit satisfies the basic criteria for exhibits.
